Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
What is your primary language?	—		
What secondary languages should the policy support?	—		
What is your company or organization name?	255		
What is your contact email address?	—		
What is your company or organization address?	1,000		
What is your website URL?	500		
What is your contact page URL?	500	Optional	
Do you have users in the EU/EEA?	—		
Do you have users in California?	—		
Is your business for-profit?	—	Optional	

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
Do you cross one or more CCPA thresholds? (\$25M revenue, 100k customers, or 50% revenue from PI sale)	—	Optional · Pro+	Shown if <i>for_profit</i> = yes
Would you like to include CCPA clauses even if not legally required?	—	Optional · Pro+	Shown if <i>ccpa_thresholds</i> = no
Do you sell or share personal data?	—		
What categories of personal information do you sell or share? (CalOPPA)	500	Optional	Shown if <i>sell_share_data</i> = yes
What categories of third parties do you disclose personal information to? (CalOPPA)	500	Optional	Shown if <i>sell_share_data</i> = yes
What basic personal data do you collect? (e.g. name, email, address, location)	—		
What behavioral or financial data do you collect?	—		
What professional or educational data do you collect?	—		
Do you collect any other personal data not listed above?	500 / item	Optional	
What identity and demographic data do you collect? (e.g. racial/ethnic origin, genetic info)	—		

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
Do you collect data about political opinions?	—		
What account or authentication data do you collect? (e.g. state ID, passport number)	—		
What location tracking data do you collect?	—		
What communications or financial data do you collect? (e.g. health info, financial account numbers)	—		
Do you collect any other sensitive personal data not listed above?	500 / item	Optional	
Do you use cookies or other tracking technologies?	—		
What is the URL to your cookie policy?	500	Optional	Shown if use_cookies_tracking = yes
How does your website respond to Do Not Track (DNT) signals?	2,000	Optional	
Do you collect personal information from users under 16 years of age?	—	Optional	GDPR – shown if users_eu_eea = yes
Do you collect personal information from users under 13 years of age?	—	Optional · Pro+	CCPA Pro+ – shown if ccpa_thresholds = yes OR include_ccpa_clauses = yes

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
Do you have a process for users to review or change their personal information?	—	Optional	CalOPPA – shown if <i>sell_share_data</i> = yes
Describe the process users can follow to review or change their personal information.	2,000	Optional	Shown if <i>has_review_change_process</i> = yes
Do you process data based on user consent?	—		
Do you process data to perform contractual obligations?	—		
Do you process data to comply with legal obligations?	—		
Do you process data for a public task?	—	Optional	
Describe the public task that justifies data processing.	1,000	Optional	
Do you process data based on legitimate interests?	—	Optional	
Describe the legitimate interest that justifies data processing.	1,000	Optional	
Do you process data to protect someone's vital interests?	—		

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
How do you use the personal data you collect? (e.g. provide service, marketing, analytics)	—		
Are there any other purposes for which you use the collected data?	500 / item	Optional	
Do you not sell or share data with any of the listed age groups?	—		Shown if <i>ccpa_thresholds = yes</i> OR <i>include_ccpa_clauses = yes</i> OR <i>sell_share_data = yes</i>
What is your opt-in process for selling or sharing data of users between 13 and 16?	2,000	Optional	
What is your opt-out process for users between 13 and 16?	2,000	Optional	
What is your opt-in process for selling or sharing data of users under 13?	2,000	Optional	
What is your opt-out process for users under 13?	2,000	Optional	
Describe the process users can follow to submit requests related to their personal data.	2,000	Optional	
Do you disclose sensitive personal information beyond what is permitted by applicable exemptions?	—		
What categories of sensitive personal information are disclosed?	2,000	Optional	Shown if <i>disclose_sensitive_beyond_exemptions = yes</i>

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
What categories of third parties is this sensitive information shared with?	2,000	Optional	Shown if <i>disclose_sensitive_beyond_exemptions</i> = yes
Have you disclosed personal information to third parties?	—	Optional · Pro+	
What categories of information were disclosed to third parties in the past 12 months? (CCPA/CalOPPA)	2,000	Optional	
What categories of third parties was data shared with in the past 12 months? (CCPA/CalOPPA)	2,000	Optional	
How long do you retain personal data? (6 months / 12 months / as long as necessary / custom / not yet decided)	—		
Specify your custom data retention period.	500	Optional	Shown if <i>selected_option</i> = custom
Provide additional details about your data retention timeline.	2,000	Optional	Shown if <i>selected_option</i> = not_yet_decided
Do you transfer personal data to countries outside the EU/EEA?	—		GDPR – shown if <i>users_eu_eea</i> = yes
Do you automatically process personal data (e.g. profiling or automated decision-making)?	—		GDPR – shown if <i>users_eu_eea</i> = yes
What are the contact details of your Data Protection Officer (DPO)?	1,000	Optional	GDPR – shown if <i>users_eu_eea</i> = yes

Privacy Policy – Field-to-Question Mapping

; character limits, and conditions for each step of PrivacyPolicyV1Content

Question	Max Characters	Optional / Pro+	Condition / Notes
What are the details of the data controller (for organizations outside the EU serving EU users)?	1,000	Optional	
Do you process personal data of more than 10 million California consumers per year?	—	Optional · Pro+	CCPA Pro+ – shown if <i>ccpa_thresholds</i> = yes OR <i>include_ccpa_clauses</i> = yes
What is the URL to your privacy metrics report?	500	Optional	Shown if <i>process_10_million_california</i> = yes
Do you offer financial incentives in exchange for personal data?	—	Optional · Pro+	CCPA Pro+ – shown if <i>ccpa_thresholds</i> = yes OR <i>include_ccpa_clauses</i> = yes
Do you use Standard Contractual Clauses (SCCs) as a safeguard?	—		Shown if <i>transfer_data_outside_eu</i> = yes
Do you use Binding Corporate Rules (BCRs) as a safeguard?	—		Shown if <i>transfer_data_outside_eu</i> = yes
Do you use any other custom safeguards for data transfers?	—		Shown if <i>transfer_data_outside_eu</i> = yes
Describe your custom data transfer safeguards.	2,000	Optional	Shown if <i>transfer_data_outside_eu</i> = yes

conditional || Assessment: ✓ Correct = source value is appropriate | Increase = recommend higher limit | Decrease = recommend lower limit | Add = missing limit in

Recommended Character Limit	Assessment	Reasoning
N/A (selection)	N/A	Single language selection — no free text
N/A (selection)	N/A	Multi-select list — no free text entered
300	Correct	Standard org name length — sufficient
300	Add	RFC 5321 max email address length is 254 characters
1000	Correct	Typical postal address (street, city, country, postcode) fits in 300–400 chars; 500 is ample
500	Correct	URLs with query params, subdomains, and paths can exceed 500 chars
2,000	Increase	Same URL reason as website_url
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection

Recommended Character Limit	Assessment	Reasoning
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection
2000	Increase	Users may list many PI categories with descriptions; 500 can truncate real-world answers
2000	Increase	Same as pi_categories — category lists need room for multiple entries
N/A (selection)	N/A	Multi-select checklist — no custom text
N/A (selection)	N/A	Multi-select checklist — no custom text
N/A (selection)	N/A	Multi-select checklist — no custom text
500	Correct	Per-item custom data label — 500 is sufficient for a descriptive name
N/A (selection)	N/A	Multi-select checklist — no custom text

Recommended Character Limit	Assessment	Reasoning
N/A (selection)	N/A	Multi-select checklist — no custom text
N/A (selection)	N/A	Multi-select checklist — no custom text
N/A (selection)	N/A	Multi-select checklist — no custom text
N/A (selection)	N/A	Multi-select checklist — no custom text
500	Correct	Per-item custom data label — 500 is sufficient for a descriptive name
N/A (boolean)	N/A	Yes/No selection
2,000	Increase	URL field — same rationale as other URL fields
2500	Increase	Legal/technical explanation of DNT handling; policies often include full paragraphs
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection

Recommended Character Limit	Assessment	Reasoning
N/A (boolean)	N/A	Yes/No selection
2500	Increase	Step-by-step process description; 2,000 may cut off detailed instructions
N/A (boolean)	N/A	Boolean selection
N/A (boolean)	N/A	Boolean selection
N/A (boolean)	N/A	Boolean selection
N/A (boolean)	N/A	Boolean selection — enables the text field below
2000	Increase	GDPR public task justification; legal teams often write detailed rationale exceeding 1,000 chars
N/A (boolean)	N/A	Boolean selection
2000	Increase	Legitimate interest assessment (LIA) text; commonly 1,000–2,000 chars in practice
N/A (boolean)	N/A	Boolean selection

Recommended Character Limit	Assessment	Reasoning
N/A (selection)	N/A	Multi-select checklist — no custom text
500	Correct	Per-item custom purpose label — 500 is sufficient
N/A (boolean)	N/A	Boolean selection
2500	Increase	Process description for parental consent flows; may need detailed steps
2500	Increase	Same as opt-in — process steps can be detailed
2500	Increase	COPPA-level consent process; typically more detailed than 16+
2500	Increase	Same as above
2500	Increase	DSAR/rights request process description; often includes multiple steps and contact info
N/A (boolean)	N/A	Yes/No selection
2500	Increase	List + description of sensitive PI categories; multiple categories with context can exceed 2,000

Recommended Character Limit	Assessment	Reasoning
2500	Increase	Same as <i>pi_categories</i> — category lists need room for multiple entries
N/A (boolean)	N/A	Yes/No selection
2500	Increase	CCPA 12-month disclosure list with descriptions; real policies often exceed 2,000 chars
2000	Correct	Category list — 1,000 is sufficient; 2,000 is over-provisioned for a named list
N/A (selection)	N/A	Dropdown selection — no free text
1000	Increase	Short free-text retention period (e.g. '3 years from last login') — 500 is ample
2500	Increase	Free-text explanation of why retention is undecided; may require detailed legal context
N/A (boolean)	N/A	Yes/No selection
N/A (boolean)	N/A	Yes/No selection
2000	Increase	Includes DPO name, title, email, postal address, phone — can easily exceed 1,000 chars

Recommended Character Limit	Assessment	Reasoning
2,000	Increase	<i>Same as DPO — name, address, registration number, contact details</i>
N/A (boolean)	N/A	<i>Yes/No selection</i>
2,000	Increase	<i>URL field — same rationale as other URL fields</i>
N/A (boolean)	N/A	<i>Yes/No selection</i>
N/A (boolean)	N/A	<i>Boolean selection</i>
N/A (boolean)	N/A	<i>Boolean selection</i>
N/A (boolean)	N/A	<i>Boolean selection — enables the text field below</i>
3,000	Increase	<i>Description of bespoke transfer safeguards; legal clauses often need more than 2,000 chars</i>
